Application for Combat Mentor:

Savage 2 Username: iAm

Current Skill factor:107 but most the games i play im getting 160-180

Time Zone:mountain time

Are you practiced well with both beasts and humans? yes

Age:14 and 4/5th xD

Microphone/teamspeak?: yes

Why you want to mentor: i have tought around 10-20 people over the last week at least the basics of melee fighting. most the people i train start pushing from around 50 sf to 100 within a week. all i would need to speed it up a bit is triggas training strategy that is all -\_\_-

iAm, I know you're coming into your own and improving but I'm going to have to reject that application until you meet the 150 SF requirement. Sorry.

Hey Insomniac! Great to see you've found your way here!

I have a general idea of your skill level, and I'd be much better able to help you if I wasn't always having this lagfest goin on. But I'd love to help you out any way I can, hopefully lag doesn't stop

that.

I'll add and message you next time I see you.
